IS-280
**THE PERSONAL POST OFFICE
MADE SIMPLE**

MAKING YOUR BUSINESS LIFE EASIER

WE VALUE YOUR MAIL 

IS-280

INNOVATIVE MAIL PROCESSING MADE EASY

Businesses of all sizes count on innovative productivity tools to help them grow. Neopost's IS-280 puts you at the centre of a simplified mail processing experience that brings your mail, your parcels and your postage funds together into one powerful package that is easy to set up and use.

No more trips for stamps. No more guessing the correct postage price. With the IS-280 you can access money for postage and process your mail 24 hours a day, 365 days a year without ever having to leave your office. You'll never run out of stamps again.

With state-of-the-art technology, whisper-quiet operation and **myneopost** online services at your fingertips, the IS-280 is the best-in-class solution to meet all your mail processing requirements.

MORE THAN JUST LETTERS – PROCESS YOUR PACKAGES TOO

Do you need to process letters and parcels?

No Problem. The IS-280 can handle both with ease. The IS-280's Default Rate Selection feature allows you to weigh, rate and print postage without touching the console. Simply place an envelope on the weighing platform and then insert it into the printing path. The system does the rest.

With Manual Weight Entry, you select the postage rate and enter the weight of your parcel into the system. The correct postage amount is automatically calculated and printed on a self-adhesive label, allowing you to process parcels of any size.

HARNESS THE POWER OF YOUR PC

Want high-speed internet access but don't have a dedicated LAN connection in your office? We've got you covered. The IS-280 comes with a PC-Meter Link application that allows you to use the wireless connection embedded in your PC to connect to the Neopost servers. Now your IS-280 can be located anywhere in your office and connect to our servers at anytime.

The PC-Meter Link application is more than just a connection tool; it's also a way to operate your mailing system from your desktop. Once installed, the application allows you to activate key system functions and login to myneopost online services from your PC rather than through the mailing system console making job set up and system management easy.

NEVER RUN OUT OF INK

Keeping your mail moving couldn't be easier with the Low Ink Alert feature that notifies Neopost when your cartridge gets low. Our Customer Service Centre will give you a courtesy call to let you know you are almost out of ink. Reordering online is simple and fast, and with the Click 'n' Snap design, changing cartridges has never been easier.

STAY CONNECTED WITH A LAN

Save time and increase efficiency by taking advantage of the IS-280's standard high-speed internet connection that automatically connects to any network type. Enjoy fast and easy statistic uploads, rate change updates, re-crediting, system diagnostics, feature upgrades and software downloads. Running securely via your internal network, the LAN connection eliminates the need for a traditional analog phone line.

PRICING YOUR MAIL HAS NEVER BEEN EASIER

Don't let postage rates slow you down. Whatever rate you need is in the IS-280's Rate Wizard. Use the Rate Shortcuts menus to save even more time by eliminating keystrokes. From single envelopes to large packages, the IS-280 has all the tools you need to calculate postage pricing with ease and accuracy.

- SMART, SIMPLE, RELIABLE PROCESSING
- INTELLIGENT WEIGHING AND PRICE CALCULATION
- INTUITIVE NAVIGATION AND INSTANT FUNCTION SELECTION
- HIGH-SPEED INTERNET ACCESS WITHOUT A DEDICATED LAN LINE
- ONLINE SUPPLIES STORE
- 24/7 ONLINE MONITORING AND CONTROL OF YOUR MAILING SYSTEM
